Volume III

Hallowed Be Thy Name - Part 2

When the inevitable “One Book Compilation” version of Volume III comes out, this message will sadly be erased.

Let us cheer together while we’re here, in the present that will eventually fade and die and when we can wonder “Was splitting a strip comic book into two parts really a good presentation design choice?” Well, uh...

God, maybe it is already time for us to say bye-bye.

Bye.

*I am Death.  
I have risen  
for the annual  
Day of All Hallows.*

*Now, who might YOU be, friend?*

*I saw your face for the  
first time yesterday,  
remember?*

*Was that an  
unfortunate  
coincidence?*

*There was no one I should have not known of.*

maybe  
immortal  
perhaps?*

maybe not have  
a soul in the  
first place?*
